Secretary-General Report to the FIMM General Assembly

REGARD FIMM: Reborn – Renewed - Reinvigorated

Fédération Internationale de Médecine Manuelle * International Federation of Manual / Musculoskeletal Medicine

1

RETURNED to be REBORN in Switzerland 2019

From a gathering in Switzerland in 1958 of independent, talented physicians ...

... was born an international Federation of member societies made up of manual medicine physicians who wished to make a difference in the health and function of their patients

Our first sixty years were dedicated to proactively advancing integration of Manual/Musculoskeletal Medicine into healthcare
