Sunday, 22 August 2021

Dear National Delegates,

Because of a lot uncertainties to meet live, due to the ongoing the COVID-19 pandemic, to our regret this year, like 2020, there will be a short, only 2 hour lasting, General Assembly by ZOOM.

This means that, once again, this year there will be no cooperation with a hosting country, no live events and no social program.

Attached on the mail you received, you will find the Agenda for the General Assembly. Nearer information as well as last year's minutes will follow soon.

Please not following in advance:

1. The **Annual General Assembly:**

Again the GA 2021 will be different from before the COVID-19 Pandemic.

There will be a web-based meeting by ZOOM. This meeting will take place on Friday 22nd of October 2021 at 12:00 hrs CET.

This is the most convenient time to serve East as well as West. Please, look up on the Internet for the exact time in your own time-zone. On our website we will publish a schedule as well.

Also, this year there will be no vacancies for the Boards, neither elections and so on.

We only have 2 Hours by ZOOM. To have profound discussions and discuss delicate matters you should do this on live meetings, is our opinion.

The only urgent matter will be a, slight, change of our statutes. Nearer explanation will follow.

Nevertheless, we would like to offer all societies the opportunity to bring in urgent agenda points. The Executive Board then will decide if we can add this to the agenda.

=> Deadline to bring up agenda points is October 8th.

Please note: this year, like last year, there will be no presentations for each society.

However: we would like you to send in information about what is going on in your societies. This will be published on our Website to be seen by all delegates. Each delegate will have the opportunity for a short question & answers session.

⇒ **Please send in this Societies Information before October 8th.**

Besides these topics, there will be reports from various Board Members to update our delegates.

2. The **FIMM international scientific On-line Conference:**

This will take place on Saturday 23rd of October 2021.

Information concerning this conference, which is open to all our national members appears on the new **FIMM website**.

Registration will be open as soon as possible. See link on **FIMM website**.

PLEASE SHARE THE WEBINAR INFORMATION TO YOUR SOCIETIES MEMBERS

3. **FIMM finances**

Our treasurer, Roni, will send invoices to each **FIMM** member before the GA.

FIMM's Executive Board hopes to see you on ZOOM at our GA !

Best wishes and regards,

Henk Bultman M.D.

President **FIMM**
