Re: FIMM General Assembly 2015

Dear President of FIMM national member society!

Dear Secretary General of FIMM national member society!

It is my great pleasure to invite you to the FIMM General Assembly 2015. Please find attached the preliminary agenda. I would be very pleased to meet you personally in Copenhagen, Denmark, on Friday, September 4th, 2015. It will be the 50th General Assembly of this Federation. The General Assembly will start at 09:00 and probably last until 18:00.

The agenda of the Assembly holds the important issue of **ratifying the revised vision and mission of FIMM**. This work was suggested during the general assembly in Bratislava and to that purpose the Executive Board met in June in Frankfurt. The main focus of the meeting was to redefine the vision and the mission of FIMM. The last time that this was done was in 2004 and it seemed both appropriate and timely to take a critical look at who we are, what we are doing and why. To this goal we held a facilitated meeting with an experienced mediator who assisted us through the process of redefining the vision, the mission and the goals of FIMM. We will be continuing discussions at the General Assembly in Copenhagen.

In addition we will be proud to ratify the official version of the ***Guidelines for Basic Training and Safety in French***.

I would like to bring your attention to an **important item concerning finances**. As stated in the accompanying letter concerning the June 2015 meeting held in Frankfurt, we will probably need a **surcharge of 50 cents (€0.50) per society member** for the following financial year. Please inform your societies as we will wish to vote on this item at the General Assembly.

Substantial participation is desired in the process and likewise the representation of your society in these important activities. You will receive further detailed information about the Assembly including a summary of the future proposed activities such as courses.

As for a presentation of your society at this reunion, I would like to ask you or a delegate of your society to have a short presentation about the activities of your society, indicating also the number of your members that are according to the standards of your country fully trained in M/M Medicine. To help you, the Secretary-General will be sending you a standardized slide to insert into your presentation. However, please make sure that your presentation does not take more than 4 minutes.

The **Danish Society of Musculoskeletal Medicine** (DSMM, President: Helle Borgstrøm, MD) will host the FIMM General Assembly on Friday September 4th and has graciously offered to cover the cost of the FIMM Dinner and entertainment this year. – Thank you very much!

Welcome to the 50th FIMM General Assembly in Copenhagen, Denmark!
