

- Kazakhstan

Prof. Nadezhda. Krasnoyarova,
President of the Kazakh MM Society

Greeting from Kazakhstan

- *The Kazakhstan Association of Manual Therapists and Osteopaths*
- *consists of 52 persons*
- *(2017 year)*

Theoretical and practical questions of manual therapy and osteopathic medicine were discussed at 5 sessions of Association within a year.

We discussed problems of lumbar pains, headaches. We mastered manual and osteopathic technicians on a backbone and joints, on visceral bodies, on a cranium.

**There was a seminar
"Biodynamic concept
in the science of osteopathy"
in June 2017 in Almaty (Kazakhstan)
The seminar was held by Bruno Josse,
Doctor of Osteopathy, member of the
Register of Osteopaths of France,
international lecturer.**

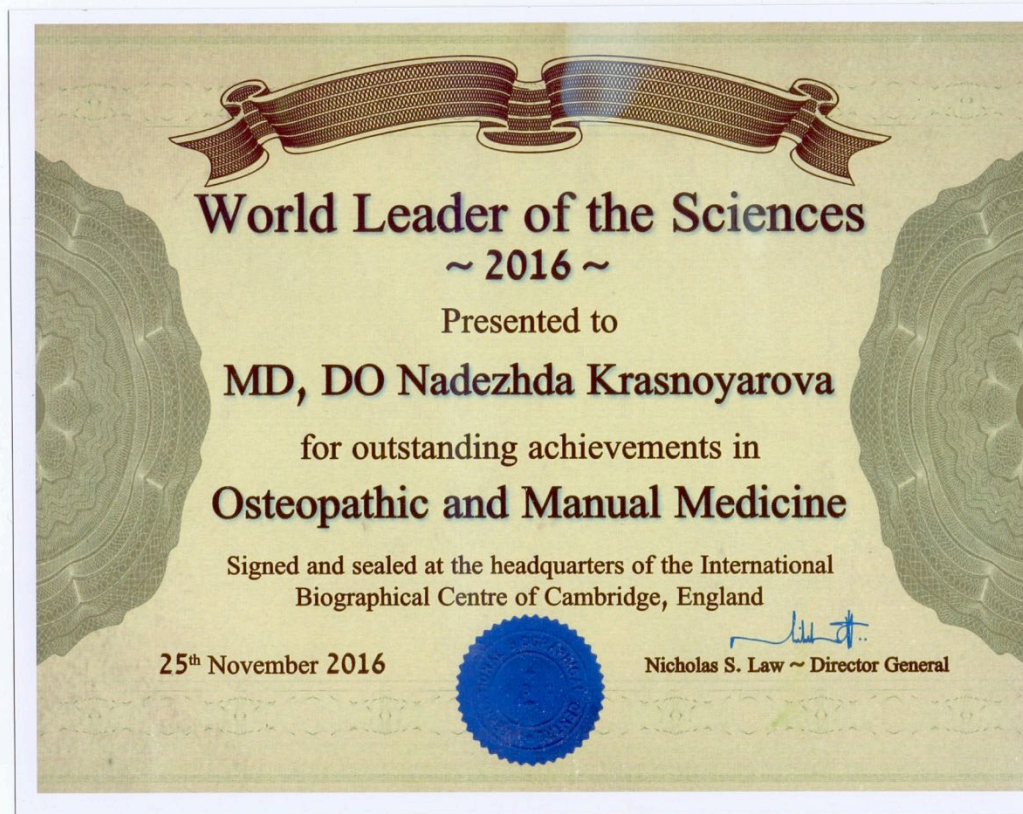

The members of Association took part in international congress «OSTEOPATHY OPEN» in June in Russia (Kazan).

**The members of Association will take part in a neurological conference with the international participation in Kazakhstan (Almaty) in October of 2017г.
10 reasons will be published.**

**In November 2016
I as Chairman Kazakhstan Association of Manual Therapists
and Osteopaths received the honorable certificate
from England (Cambridge).**

Manual therapy and osteopathic medicine enter into modern medicine in Kazakhstan.

Training and improvement of professional skill of doctors on manual therapy are conducted at the Kazakh Medical University of Continuing Education at the Department of Traditional Medicine in Almaty (Kazakhstan).

Training and improvement of professional skill of doctors on osteopathic medicine are conducted at the Institute of Osteopathic Medicine in Almaty (Kazakhstan).

THANKS FOR ATTENTION
