## STANDARIZATION OF MMM IN SPAIN

- According to FIMM guidelines
- The Spanish General Medical Council has allowed regional Councils to recognize a C.V. in MMM:
  - we hope to have a scale ready by the end of 2017
  - as a first step to recognize already trained physicians
  - this will allow us to start standarization from a political point of view

## STANDARIZATION OF MMM IN SPAIN

- SEM00YM is having conversations with the director of the Master in MMM in Madrid in order to:
  - make it fulfill FIMM guidelines
  - get SEM00YM trainers to be a more active part of the faculty (some of them already part of it)
